SPECIAL INSTRUCTIONS – ALUM CREEK

1. Please remember when you are in Big Run or Up North in the no wake zones do not run like we do at Clearfork. If you are pushing big waves with your boat and someone gets you on camera you will be DQ'd. Clearfork has a speed limit not a no wake zone.
2. WE WILL NOT TOLERATE UNSPORTSMAN LIKE CONDUCT. Don't do unto others that you would not want done to you.
3. Remember the lake has no-wake areas please adhere and do not pass anyone in a no-wake zone.
4. If you see a violation get a pic or video with your phone and file a protest. We can't do anything without a protest being filed.
5. We have really noticed a difference at most lakes last year with the non-penetrating cull systems you have been using. The fish are in great shape compared to previous years. For the most part very we are seeing very few holes in their mouths!!!! I have noticed holes in some fish at Clearfork please try to get all venues who fish there to adopt these rules. The lake already has enough issues hurting it.
6. Remember any OMBTT run events do not allow a-rigs.
7. You must wear a life jacket anytime your boat is above no wake (Running fast or on pad) It is your choice on jackets when running in the no wake zones.
8. We will be drawing for door prizes after weigh-in if you want to hang around. Rods and gift cards along with other items donated from our sponsors.
